

The background of the cover features a large, abstract graphic on the left side, transitioning from purple to blue to yellow. On the right side, there is a network diagram with nodes and connecting lines, overlaid on a globe-like structure. The text is centered in the lower half of the image.

INTERNATIONAL CONFERENCE BEST OF MASCC

SUPPORTIVE THERAPY
IN ONCOLOGY: FROM THEORY TO PRACTICE

PROGRAM

OCTOBER 9, 2020
MOSCOW

ONLINE BROADCASTING (UTC +3:00)

Contents

Moderators	3
International experts	6
Speakers	7
Program	11

Moderators

Anton Vladimirovich Snegovoy

Doctor of Medical Sciences, Head of Oncological Day Hospital (chemotherapeutic and surgical treatment), N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Professor, Department of Oncology, Federal State Budgetary Educational Institution of Higher Education, Evdokimov Moscow State University of Medicine and Dentistry, Ministry of Health of Russia, Moscow

Inessa Borisovna Kononenko

Candidate of Medical Sciences, Senior Researcher of the Oncological Day Hospital (chemotherapeutic and surgical treatment), N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

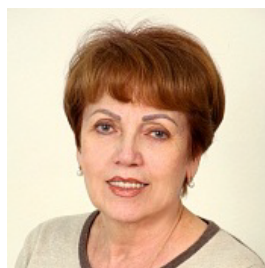

Matti Aapro

President, the European Cancer Organization, Past President of the Multinational Association for Supportive Care in Cancer (MASCC), a Member of the Executive Committee of the Multidisciplinary Institute of Oncology, the Genolier Cancer Center (Switzerland), and a Co-founder of the Society of Supportive Care in Oncology (RASSC)

Pervin Aidynovna Zeynalova

Doctor of Medical Sciences, Head of the Department of Hematology, Clinical Hospital Lapino, Moscow region

Lyudmila Valentinovna Manzyuk

Doctor of Medical Sciences, Professor, Senior Researcher of the Oncological Day Hospital (chemotherapeutic and surgical treatment), N.N. Blokhin National Medical Research Center of Oncology, Professor of Department of Oncology, Federal State Budgetary Educational Institution of Higher Education, Evdokimov Moscow State University of Medicine and Dentistry, Ministry of Health of Russia, Moscow

Moderators

Alexander Efimovich Shestopalov

Doctor of Medical Sciences, Professor, Department of Anesthesiology and Emergency Medicine, the Federal State Budgetary Educational Institution of Continuing Professional Education Russian Medical Academy of Continuing Professional Education, Ministry of Health of the Russian Federation, Vice President of the National Society for Clinical Nutrition and Metabolism (RSPEN), Honored Doctor of the Russian Federation, Moscow

Vera Borisovna Larionova

Doctor of Medical Sciences, Professor, Leading Researcher, the Department of Hemoblastosis Chemotherapy, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

Denis Anatolyevich Ryabchikov

Doctor of Medical Sciences, Deputy Chief Medical Officer, Leading Researcher, Department of Oncology, Surgical Methods of Treatment No. 15, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

Elena Georgievna Gromova

Doctor of Medical Sciences, Department of Reanimation and Intensive Care № 1, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

Moderators

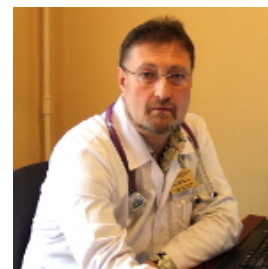

**Anna Aleksandrovna
Kan**

Clinical Psychologist, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

**Valeria Vladimirovna
Saevets**

Candidate of Medical Sciences, Head of the Department of Oncogynecology State Budgetary Educational Institution Chelyabinsk Regional Clinical Center of Oncology and Nuclear Medicine

**Anatoly Yuryevich
Popov**

Candidate of Medical Sciences, Head of the Department of Chemotherapy, Moscow Pletnev City Clinical Hospital Moscow, Department of Healthcare, Moscow

**Lyudmila Ivanovna
Osmanova**

Candidate of Medical Sciences, Oncologist of the Oncological Day Hospital (chemotherapeutic and surgical treatment), N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

**Olga Petrovna
Grebennikova**

Candidate of Medical Sciences, Associate Professor, Department of Oncology, Federal State Budgetary Educational Institution of Higher Education, Evdokimov Moscow State University of Medicine and Dentistry, Ministry of Health of Russia, Moscow

International experts

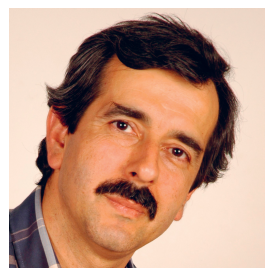

Andrew Davies
President, the Multinational
Association for Supportive Care
in Cancer (MASCC)

Matti Aapro
President, the European Cancer
Organization, Past President of
the Multinational Association for
Supportive Care in Cancer
(MASCC), a Member of the
Executive Committee of the
Multidisciplinary Institute of
Oncology, the Genolier Cancer
Center (Switzerland), and a
Co-founder of the Society of
Supportive Care in Oncology
(RASSC)

Rajesh Lalla
Immediate Past President, the
Multinational Association for
Supportive Care in Cancer
(MASCC)

Luis Costa
Professor, the University of
Lisbon School of Medicine, Head
of the Department of Oncology,
Santa Maria Hospital, Lisbon

Speakers

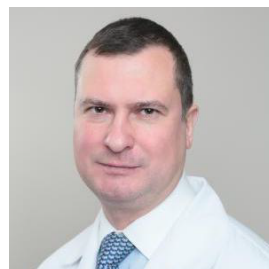

Eduard Kuzmich Vozny

Doctor of Medical Sciences, Professor, Head of the Department of Chemotherapy, Moscow Pletnev City Clinical Hospital Moscow, Department of Healthcare, Moscow

Elena Mikhailovna Bit-Sava

Doctor of Medical Sciences, Professor, Department of Oncology, Pediatric Oncology and Radiation Therapy, St. Petersburg State Pediatric University, Head of the Department of Breast Tumors, State Budgetary Educational Institution St. Petersburg Clinical Scientific and Practical Center for Specialized Types of Medical Care (Oncological), St. Petersburg

Alexey Olegovich Bueverov

Doctor of Medical Sciences, Professor, First Sechenov Moscow State Medical University, Leading Researcher, Moscow Vladimirsky Regional Research Clinical Institute, Moscow

Lyudmila Yurievna Grivtsova

Doctor of Medical Sciences, Head of Laboratory of the Tsyba Medical Radiological Research Center, a branch of the Federal State Budgetary Institution National Medical Research Center of Radiology, Ministry of Health of the Russian Federation, Obninsk

Zlata Valerievna Grigorievskaya

Doctor of Medical Sciences, Senior Researcher, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

Anastasia Anatolyevna Parokonnaya

Doctor of Medical Sciences, Senior Researcher, Department of Oncology, Surgical Methods of Treatment No. 15, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia

Speakers

Alexander Leonidovich Potapov

Doctor of Medical Sciences, Head of the Department of Anesthesiology and Reanimation of the Tsyba Medical Radiological Research Center, a branch of the Federal State Budgetary Institution National Medical Research Center of Radiology, Ministry of Health of the Russian Federation, Obninsk

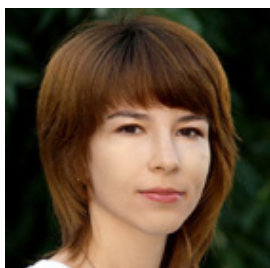

Konstantin Sergeevich Titov

Doctor of Medical Sciences, Professor, Head of Oncosurgical Department of Skin and Soft Tissue Tumors, Moscow Loginov State Budgetary Healthcare Institution, Department of Healthcare, Moscow; Head of the Department of Surgery and Oncology, Faculty of Continuing Medical Education, RUDN University, Moscow

Maria Vladimirovna Avksentieva

Doctor of Medical Sciences, Leading researcher at the Russian Academy of National Economy and Public Administration, professor at the First Lomonosov Moscow State Medical University I.M. Sechenova, Moscow

Ulyana Vladimirovna Kharlamova

Doctor of Medical Sciences, Professor, the Department of Therapy, Federal State Budgetary Educational Institution of Higher Education South Ural State Medical University, the Ministry of Health of the Russian Federation, Chelyabinsk

Murat Movldyevich Khamidov

Deputy Chief Physician, State Budgetary Healthcare Institution Leningrad Region Clinical Oncology Care Center, Chief Chemotherapist Of The Leningrad Region, St. Petersburg

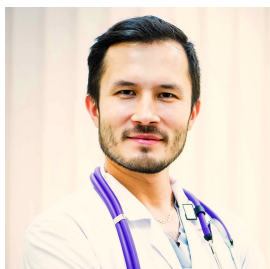

Natalya Petrovna Shevchenko

Clinical Pharmacologist, State Budgetary Healthcare Institution Clinical Oncological Dispensary No. 1, Ministry of Health of Krasnodar Territory, Krasnodar

Speakers

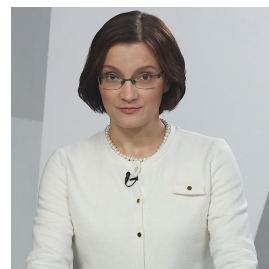

Timur Faritovich Ibragimov

Candidate of Medical Sciences, Head of the Oncological Thoraco-Abdominal Department, the State Budgetary Educational Institution of Moscow Region Podolsk City Clinical Hospital, Podolsk

Vadim Maratovich Kulushev

Candidate of Medical Sciences, Head of the Department of Coloproctology, the State Budgetary Institution of Healthcare Botkin Moscow City Clinical Hospital, Department of Healthcare, Moscow

Anna Valentinovna Michenko

Candidate of Medical Sciences, Leading Researcher, Department of Clinical Dermatovenereology and Cosmetology, Moscow Scientific and Practical Center for Dermatovenereology and Cosmetology, Department of Healthcare, Moscow

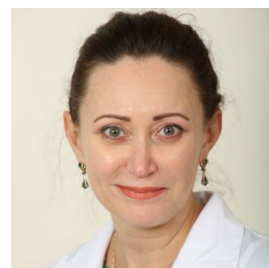

Olga Arkadyevna Obukhova

Candidate of Medical Sciences, Specialist in Concomitant Therapy and Rehabilitation, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

Nikolay Yurievich Sokolov

Candidate of Medical Sciences, Head of the Oncology Department of Anticancer Drug Therapy No. 15, the State Budgetary Institution of Healthcare Botkin Moscow City Clinical Hospital, Department of Healthcare, Moscow

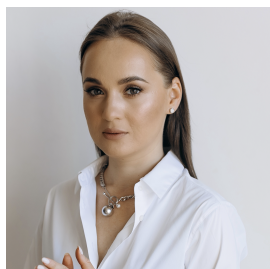

Svetlana Gennadievna Bagrova

Candidate of Medical Sciences, Researcher of Chemotherapy department №1, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

Speakers

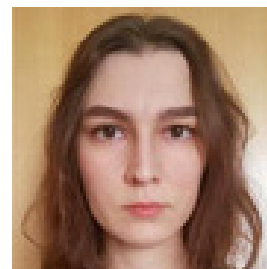

**Albina Vladimirovna
Idiatulina**

Head of the RehabSpace Centre for Motor Rehabilitation in the Treatment of Breast Diseases in St. Petersburg;
Rehabilitation specialist and organiser of the Club for Women with Breast Cancer, St. Petersburg Clinical Scientific and Practical Centre for Specialised Medical Care (Oncology)

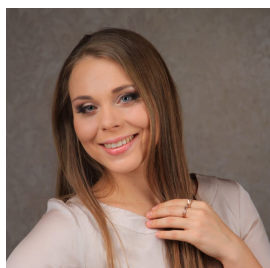

**Ekaterina Andreevna
Golovanova**

Psychiatrist, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

**Olga Vladimirovna
Palchinskaya**

Oncologist, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

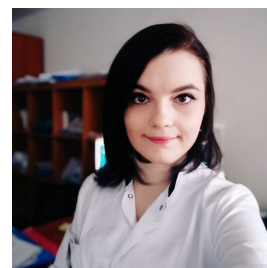

**Anna Pavlovna
Alekseyeva**

Clinical Pharmacologist, Chelyabinsk Regional Clinical Center of Oncology and Nuclear Medicine, Chelyabinsk

**Kabanov Gleb
Alekseevich**

Oncologist, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

**Valeria Sergeevna
Sulyagina**

Oncologist, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

UTC +3:00

08.30 – 09.20 Registration

Hall 1

09.20 – 09.40 **The Union of MASCC and RASSC**

«We've been waiting for this moment for a long time»

RASSC Team

Matti Aapro, President, the European Cancer Organization, Past President of the Multinational Association for Supportive Care in Cancer (MASCC), a Member of the Executive Committee of the Multidisciplinary Institute of Oncology, the Genolier Cancer Center (Switzerland), a Co-founder of the Society of Supportive Care in Oncology (RASSC)

Andrew Davies, President, the Multinational Association for Supportive Care in Cancer (MASCC)

Rajesh Lalla, Immediate Past President, the Multinational Association for Supportive Care in Cancer (MASCC)

Eduard Kuzmich Vozny, Honorary Chairman, the Society of Supportive Care in Oncology (RASSC)

Anton Vladimirovich Snegovoy, Chairman, the Society of Supportive Care in Oncology (RASSC)

Hall 1

Hall 2

Section I
09.45 – 11.05

**Psychiatry and psychology in
supportive care**

Section VI
09.45 – 11.40

«A powerful will can cure where doubt will end in failure»
Paracelsus

Moderator:

Anna Aleksandrovna Kan,
Clinical Psychologist,
N.N. Blokhin National Medical
Research Center of Oncology,
Ministry of Health of Russia,
Moscow

«Even genius has side effects»
Dr. House

Moderators:

Olga Petrovna Grebennikova, Candidate of Medical
Sciences, Associate Professor, Department of
Oncology, Federal State Budgetary Educational
Institution of Higher Education, Evdokimov
Moscow State University of Medicine and Dentistry,
Ministry of Health of Russia, Moscow

UTC +3:00

Hall 1

09.45 – 10.10 Multidisciplinary patient support during chemotherapy
Speaker: **Anna Aleksandrovna Kan**, Clinical Psychologist, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

10.10 – 10.35 Psychiatric disorders in cancer patients undergoing chemotherapy
Speaker: **Ekaterina Andreevna Golovanova**, psychiatrist, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

10.35 – 10.55 Fertility preservation in cancer patients: psychological problems and solutions
Speaker: **Anastasia Anatolyevna Parokonnaya**, Doctor of Medical Sciences, Senior Researcher, Department of Oncology, Surgical Methods of Treatment No. 15, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

10.55 – 11.05 Discussion

UTC +3:00

Hall 2

09.45 – 10.10 Is it possible to preserve the quality of life of HR+HER-2/neu negative mBC patients getting effective treatment?
Speaker: **Luis Costa**, Professor, the University of Lisbon School of Medicine, Head of the Department of Oncology, Santa Maria Hospital, Lisbon

10.10 – 10.30 PIK3CA: when a biomarker determines efficacy and tolerance
Speaker: **Anton Vladimirovich Snegovoy**, Doctor of Medical Sciences, Head of Oncological Day Hospital (chemotherapeutic and surgical treatment), N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Professor, Department of Oncology, Federal State Budgetary Educational Institution of Higher Education, Evdokimov Moscow State University of Medicine and Dentistry, Ministry of Health of Russia, Moscow

10.30 – 10.50 Security under control. Immune checkpoint inhibitors (our experience)
Speaker: **Inessa Borisovna Kononenko**, Candidate of Medical Sciences, Senior Researcher of the Oncological Day Hospital (chemotherapeutic and surgical treatment), N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

UTC +3:00

Hall 1

Section II 11.10 – 12.00

Modern possibilities of maintaining the quality of life in patients with bone metastases

Moderator:
Lyudmila Valentinovna Manzyuk,
Doctor of Medical Sciences,
Professor, Senior Researcher of
the Oncological Day Hospital
(chemotherapeutic and surgical
treatment), N.N. Blokhin National
Medical Research Center of
Oncology, Professor of
Department of Oncology, Federal
State Budgetary Educational
Institution of Higher Education,
Evdokimov Moscow State
University of Medicine and
Dentistry, Ministry of Health of
Russia, Moscow

11.10 – 11.30 Choice – RANK ligand inhibition
Speaker: **Svetlana Gennadievna Bagrova**, Candidate of Medical Sciences, Researcher of Chemotherapy department № 1, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

11.30 – 11.50 Choice – Nitrogen-containing bisphosphonates
Speaker: **Murat Movldyevich Khamidov**, Deputy Chief Physician, State Budgetary Healthcare Institution Leningrad Region Clinical Oncology Care Center, Chief Chemotherapist of the Leningrad Region, St. Petersburg

11.50 – 12.00 Discussion

10.50 – 11.10 Adverse events of targeted therapy for melanoma. BRAF/MEK inhibitors
Speaker: **Konstantin Sergeevich Titov**, Doctor of Medical Sciences, Professor, Head of Oncosurgical Department of Skin and Soft Tissue Tumors, Moscow Loginov State Budgetary Healthcare Institution, Department of Healthcare, Moscow; Head of the Department of Surgery and Oncology, Faculty of Continuing Medical Education, RUDN University, Moscow

11.10 – 11.30 No panic, we have a dermatologist on the team. EGFR inhibitor management
Speaker: **Anna Valentinovna Michenko**, Candidate of Medical Sciences, Leading Researcher, Department of Clinical Dermatovenereology and Cosmetology, Moscow Scientific and Practical Center for Dermatovenereology and Cosmetology, Department of Healthcare, Moscow

11.30 – 11.40 Discussion

Section VII 11.40 – 13.25

Prevention of febrile neutropenia and treatment of infections in oncology

Moderator:
Pervin Aydynovna Zeynalova,
Doctor of Medical Sciences, Head
of the Department of
Hematology, Clinical Hospital
Lapino, Moscow region

UTC +3:00

UTC +3:00

Hall 1

Hall 2

Section III
 12.05 – 13.55

**Section of the National Society
 for Clinical Nutrition and
 Metabolism (RSPEN)**

Moderator: **Alexander Efimovich Shestopalov**, Doctor of Medical Sciences, Professor, Department of Anesthesiology and Emergency Medicine, the Federal State Budgetary Educational Institution of Continuing Professional Education Russian Medical Academy of Continuing Professional Education, Ministry of Health of the Russian Federation, Vice President of the National Society for Clinical Nutrition and Metabolism (RSPEN), Honored Doctor of the Russian Federation, Moscow

11.40 – 12.00 Prevention of febrile neutropenia. 60 years later
 Speaker: **Inessa Borisovna Kononenko**, Candidate of Medical Sciences, Senior Researcher of the Oncological Day Hospital (chemotherapeutic and surgical treatment), N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

12.00 – 12.20 Practical aspects of using G-CSF in oncohematological patients
 Speaker: **Pervin Aydynovna Zeynalova**, Doctor of Medical Sciences, Head of the Department of Hematology, Clinical Hospital Lapino, Moscow region

12.05 – 12.25 The role of some nutrients in cancer patients' nutritional therapy
 Speaker: **Alexander Efimovich Shestopalov**, Doctor of Medical Sciences, Professor, Department of Anesthesiology and Emergency Medicine, the Federal State Budgetary Educational Institution of Continuing Professional Education Russian Medical Academy of Continuing Professional Education, Ministry of Health of the Russian Federation, Vice President of the National Society for Clinical Nutrition and Metabolism (RSPEN), Honored Doctor of the Russian Federation, Moscow

12.20 – 12.40 Nosocomial infection in cancer patients. Therapeutic approaches
 Speaker: **Zlata Valerievna Grigorievskaya**, Doctor of Medical Sciences, Senior Researcher, N. N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

12.25 – 12.45 Nutritional support in oncology rehabilitation
 Speaker: **Olga Arkadyevna Obukhova**, Candidate of Medical Sciences, Specialist in Concomitant Therapy and Rehabilitation, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

12.40 – 13.00 Implementation of a febrile neutropenia prevention and treatment protocol into clinical practice
 Speaker: **Natalya Petrovna Shevchenko**, Clinical Pharmacologist, State Budgetary Healthcare Institution Clinical Oncological Dispensary No. 1, Ministry of Health of Krasnodar Territory, Krasnodar

UTC +3:00

Hall 1

- 12.45 – 13.05 Features of nutritional deficiency correction
 Speaker: **Nikolay Yurievich Sokolov**, Candidate of Medical Sciences, Head of the Oncology Department of Anticancer Drug Therapy No. 15, the State Budgetary Institution of Healthcare Botkin Moscow City Clinical Hospital, Department of Healthcare, Moscow
- 13.05 – 13.25 Modern approaches to the choice of mixtures for complementary oral nutrition in oncology
 Speaker: **Alexander Leonidovich Potapov**, Doctor of Medical Sciences, Professor, Head of the Department of Anesthesiology and Reanimation of the Tsyba Medical Radiological Research Center, a branch of the Federal State Budgetary Institution National Medical Research Center of Radiology, Ministry of Health of the Russian Federation, Obninsk
- 13.25 – 13.45 Specifics of nutritional support for oncoproctological patients in the postoperative period
 Speaker: **Vadim Maratovich Kulushev**, Candidate of Medical Sciences, Head of the Department of Coloproctology, the State Budgetary Institution of Healthcare Botkin Moscow City Clinical Hospital, Department of Healthcare, Moscow
- 13.45 – 13.55 Discussion

UTC +3:00

Hall 2

- 13.00 – 13.15 The role of immunocorrection in the prevention of infectious and hematological complications of chemotherapy
 Speaker: **Lyudmila Yurievna Gritsova**, Doctor of Medical Sciences, Head of Laboratory of the Tsyba Medical Radiological Research Center, a branch of the Federal State Budgetary Institution National Medical Research Center of Radiology, Ministry of Health of the Russian Federation, Obninsk
- 13.15 – 13.25 Discussion
- Section VIII**
 13.25 – 14.35 **Section of the Association of Oncology Physicians**
- Moderator: **Valeria Vladimirovna Saevets**, Candidate of Medical Sciences, Head of the Department of Oncogynecology State Budgetary Educational Institution Chelyabinsk Regional Clinical Center of Oncology and Nuclear Medicine, Chelyabinsk
- 13.25 – 13.45 Correction of anemia in patients with cancer in conditions of COVID-19
 Speaker: **Valeria Vladimirovna Saevets**, Candidate of Medical Sciences, Head of the Department of Oncogynecology, State Budgetary Educational Institution Chelyabinsk Regional Clinical Center of Oncology and Nuclear Medicine, Chelyabinsk
- 13.45 – 14.05 Chemotherapy-associated cardiotoxicity
 Speaker: **Ulyana Vladimirovna Kharlamova**, Doctor of Medical Sciences, Professor, the Department of Therapy, Federal State Budgetary Educational Institution of Higher Education South Ural State Medical University, the Ministry of Health of the Russian Federation, Chelyabinsk

UTC +3:00

Hall 1

Section IV 14.00 – 15.10

Surgical technologies and rehabilitation in a complex system of supportive care for breast cancer patients

Moderator: **Denis Anatolyevich Ryabchikov**, Doctor of Medical Sciences, Deputy Chief Medical Officer, Leading Researcher, Department of Oncology, Surgical Methods of Treatment No. 15, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

14.00 – 14.20 Sentinel lymph node biopsy as an option for the prevention of lymphostasis
Speaker: **Denis Anatolyevich Ryabchikov**, Doctor of Medical Sciences, Deputy Chief Medical Officer, Leading Researcher, Department of Oncology, Surgical Methods of Treatment No. 15, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

14.20 – 14.40 Assessment of the quality of life of patients with breast cancer after surgical treatment
Speaker: **Elena Mikhailovna Bit-Sava**, Doctor of Medical Sciences, Professor, Department of Oncology, Pediatric Oncology and Radiation Therapy, St. Petersburg State Pediatric University, Head of the Department of Breast Tumors, State Budgetary Educational Institution St. Petersburg Clinical Scientific and Practical Center for Specialized Types of Medical Care (Oncological), St. Petersburg

14.40 – 15.00 Rehabilitation at every stage of breast cancer treatment
Speaker: **Albina Vladimirovna Idiatulina**, Head of the RehabSpace Centre for Motor Rehabilitation in the Treatment of Breast Diseases in St. Petersburg; Rehabilitation specialist and organiser of the Club for Women with Breast Cancer, St. Petersburg Clinical Scientific and Practical Centre for Specialised Medical Care (Oncology)

15.00 – 15.10 Discussion

UTC +3:00

Hall 2

14.05 – 14.25 The effect of 3-hydroxypyridine derivatives on the quality of life of cancer patients
Speaker: **Anna Pavlovna Alekseeva**, Clinical Pharmacologist, Chelyabinsk Regional Clinical Center of Oncology and Nuclear Medicine, Chelyabinsk

14.25 – 14.35 Discussion

Section IX 14.35 – 15.25

Modern antiemetic therapy

Moderator: **Matti Aapro**, **President**, the European Cancer Organization, Past President of the Multinational Association for Supportive Care in Cancer (MASCC), a Member of the Executive Committee of the Multidisciplinary Institute of Oncology, the Genolier Cancer Center (Switzerland)

14.35 – 14.55 Modern antiemetic therapy in the world
Speaker: **Matti Aapro**, President, the European Cancer Organization, Past President of the Multinational Association for Supportive Care in Cancer (MASCC), a Member of the Executive Committee of the Multidisciplinary Institute of Oncology, the Genolier Cancer Center (Switzerland)

UTC +3:00

Hall 1

Section V
15.15 – 16.25

Practical approaches in the treatment and prevention of anemia in oncology

Moderator: **Vera Borisovna Larionova**, Doctor of Medical Sciences, Professor, Leading Researcher, the Department of Hemoblastosis Chemotherapy, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

15.15 – 15.35

Anemia in oncology
 Speaker: **Timur Faritovich Ibragimov**, Candidate of Medical Sciences, Head of the Oncological Thoraco-Abdominal Department, the State Budgetary Educational Institution of Moscow Region Podolsk City Clinical Hospital, Podolsk

15.35 – 15.55

New strategy: patient blood management in oncology in the Russian Federation
 Speaker: **Anton Vladimirovich Snegovoy**, Doctor of Medical Sciences, Head of Oncological Day Hospital (chemotherapeutic and surgical treatment), N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Professor, Department of Oncology, Federal State Budgetary Educational Institution of Higher Education, Evdokimov Moscow State University of Medicine and Dentistry, Moscow

15.55 – 16.15

The main approaches to paying for medical care for patients with concomitant diseases in oncology
 Speaker: **Maria Vladimirovna Avksentieva**, Doctor of Medical Sciences, Leading researcher at the Russian Academy of National Economy and Public Administration, professor at the First Lomonosov Moscow State Medical University I.M. Sechenova, Moscow

16.15 – 16.25

Discussion

14.55 – 15.15

Antiemetic therapy progress in Russia
 Speaker: **Anton Vladimirovich Snegovoy**, Doctor of Medical Sciences, Head of Oncological Day Hospital (chemotherapeutic and surgical treatment), N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Professor, Department of Oncology, Federal State Budgetary Educational Institution of Higher Education, Evdokimov Moscow State University of Medicine and Dentistry, Moscow

15.15 – 15.25

Discussion

Section X
15.30 – 16.20

Unresolved issues on the topic “Drug-induced hepatotoxicity in cancer patients”. Expert opinions in oncology and hepatology

15.30 – 15.50

Moderator: **Elena Georgievna Gromova**, Doctor of Medical Sciences, Department of Reanimation and Intensive Care № 1, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

Hepatotoxicity in Oncology. What's new?
 Speaker: **Elena Georgievna Gromova**, Doctor of Medical Sciences, Department of Reanimation and Intensive Care № 1, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

15.50 – 16.10

Concomitant therapy for hepatotoxicity. Difficult cases
 Speaker: **Alexey Olegovich Bueverov**, Doctor of Medical Sciences, Professor, First Sechenov Moscow State Medical University, Leading Researcher, Moscow Vladimirsky Regional Research Clinical Institute, Moscow

16.10 – 16.20

Discussion

UTC +3:00

Hall 2

UTC +3:00

Hall 1

Section XI

16.25 – 17.20

Young Scientists section

Moderator: **Lyudmila Ivanovna Osmanova**, Candidate of Medical Sciences, Oncologist of the Oncological Day Hospital (chemotherapeutic and surgical treatment), N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

16.25 – 16.40

Prevention of bisphosphonates-induced osteonecrosis of the lower jaw
Speaker: **Olga Vladimirovna Palchinskaya**, Oncologist, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

16.40 – 16.55

Biliary stenting role in treatment of pancreatic head cancer
Speaker: **Gleb Alekseevich Kabanov**, Oncologist, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

16.55 – 17.10

Anorexia-cachexia syndrome as a predictor of a poor prognosis
Speaker: **Valeria Sergeevna Sulyagina**, Oncologist, N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Moscow

17.10 – 17.20

Discussion

Section XII

17.25 – 17.55

Specifics of supportive care during COVID-19

Moderator: **Anatoly Yuryevich Popov**, Candidate of Medical Sciences, Head of the Department of Chemotherapy, Moscow Pletnev City Clinical Hospital Moscow Department of Healthcare, Moscow

17.25 – 17.45

Results of a survey organized by the RASSC supported by the RAO
Speaker: **Anton Vladimirovich Snegovoy**, Doctor of Medical Sciences, Head of Oncological Day Hospital (chemotherapeutic and surgical treatment), N.N. Blokhin National Medical Research Center of Oncology, Ministry of Health of Russia, Professor, Department of Oncology, Federal State Budgetary Educational Institution of Higher Education, Evdokimov Moscow State University of Medicine and Dentistry, Moscow

17.45 – 17.55

Discussion

17.55 – 18.00 Closing

«None of us is as smart as all of us»

Kenneth Hartley Blanchard

Matti Aapro, President, the European Cancer Organization, Past President of the Multinational Association for Supportive Care in Cancer (MASCC), a Member of the Executive Committee of the Multidisciplinary Institute of Oncology, the Genolier Cancer Center (Switzerland), and a Co-founder of the Society of Supportive Care in Oncology (RASSC)

Anton Vladimirovich Snegovoy, Chairman, the Society of Supportive Care in Oncology (RASSC)
